

# Prospect.5 - Contemporary Art, Jazz and New Orleans Cuisine January 19-23, 2022

Artful is delighted to partner with **Prospect.5 Yesterday We Said Tomorrow** to offer a unique ability to visit this leading triennial. Artful has worked with **Nick Stillman**, Executive Director at Prospect.5, to create a special immersive experience for our guests, including special access to both the **Gala Celebration** and most coveted **Artist Party**. In addition to Nick providing his insider insights on the triennial, we will visit with a Prospect chosen artist in their studio, and tour a local collector home. Artful will make a **\$2000 donation** to support Prospect.5 for every guest who attends, as this is their only fundraiser every three years and the triennial has already been impacted by the devastation of hurricane Ida.

In creating this trip for you, we have focused on what we believe are the most important aspects of a memorable art experience - **first class art, gracious hospitality and impeccable service.** We aim to engage you in discussion about the art as you bond with fellow art lovers and explore this amazing city. At Artful, our goal is to provide hospitality equal to the art experience.

This trip will be led by one of Artful's art educators with the understanding that art is one of the most empathetic yet critical mediums by which to communicate and investigate important cultural topics. Our global art network will benefit the guests as friends from the art world join us at meals throughout the trip as guest speakers sharing their insider knowledge.

*Our Prospect 5.0 New Orleans experience is priced at \$6350 per person and includes all transportation, lodging, and meals during your trip. This trip is limited to 16 guests and your booking is requested by December 29, 2021. A minimum of 10 guests is required to operate this trip.*
