

# MONACO AND THE SOUTH OF FRANCE

---

## Trip Overview

January 19th - 23th, 2025

*Artful Jaunts*

Highlights from our South of France tour will include museum and garden visits along the Mediterranean, including those in Monaco, Nice, and Saint-Jean-Cap-Ferrat. We will visit museums dedicated to modern masters, Marc Chagall, Henri Matisse and Francis Bacon, as well as the famed Villa Ephrussi de Rothschild, a stunning French seaside villa located in Saint-Jean-Cap-Ferrat on the French Riviera.

The accommodations for the trip are at the **Fairmont Monte Carlo**, ranked among Europe's grandest hotels nestled between the Mediterranean Sea and legendary Casino de Monte-Carlo. An exclusive paradise, the hotel mirrors the charms of Monaco: an exceptional blend of unparalleled luxury and the languid, carefree atmosphere of a seaside destination. Enjoy the relaxed spirit of the Côte d'Azur, the panoramic views and the blue of the Mediterranean and the soothing tranquility of the gardens.

Artful Jaunts invites you to the South of France for the **47th International Circus Festival of Monte Carlo** and an arts and culture journey through Monaco and Nice. Our four day trip will include diverse programming as we immerse ourselves in the rich, cultural heritage of Provence, a region beloved by generations of artists, literary figures, and cultural patrons.

Our time in Monaco will focus on exclusive events surrounding the Circus Festival, including premium seats to the gala evening in the presence of the Princely family of Monaco. We will enjoy the show and awards ceremony, overseen by an exceptional international jury who award the ultimate prizes in the world of Circus, and we will also have the opportunity to meet the circus professionals over drinks and dinners.
